SOMEONE FINALLY GIVES YOU CREDIT FOR BEING IN THE MILITARY.

Purchase An Atlantic Home...Get A Special Military Discount!

Atlantic Builders believes in building more than just homes... we believe in building communities, too. We believe in supporting those members of the community who have some of the hardest jobs imaginable. So we are pleased to offer a variety of incentives to help local military personnel fulfill their dreams of homeownership.

In honor of those who serve our country, Atlantic is proud to offer a **\$2,500 Design Center Options Credit for Military Personnel** (Active or Retired; Army, Navy, Air Force, Marines, Coast Guard and respective reserve and guard units) who write a contract on an Atlantic home.

Register on our website, print this page and present it with your valid military ID at any of our locations throughout Fredericksburg, Stafford or Spotsylvania counties.

*Valid military ID needed.
Credit can be used in
conjunction with other
offers. Ask a sales
consultant for details.*
